

Jewel Osco

Downers Grove, Illinois

CLIENT	SUPERVALU
ARCHITECT	Camburas & Theodore, Ltd.
ROLE	General Contractor

ICI began its relationship with SUPERVALU in 2001 with multiple store renovation projects. Due to the success of these projects, ICI then had the opportunity to bid on new store construction projects.

After a competitive bidding process, ICI was awarded 6 acres of site work and the construction of a new 55,102 square foot ground-up grocery store for Jewel-Osco in Downer Grove, Illinois.

The new store includes a deli, market, produce, dairy, bakery, frozen foods, meat and seafood sections as well as a photo lab and pharmacy. The building's exterior is brick and stone veneer.
