

Perry's Steakhouse & Grille

Vernon Hills, Illinois

CLIENT	Perry's Restaurants
ARCHITECT	Aria Group Architects, Inc.
ROLE	Construction Manager

ICI has partnered with Perry's Restaurants on ten projects at eight of their restaurants to date. In their latest endeavor, Perry's has once again retained ICI as construction manager for a new construction Vernon Hills, Illinois location. The 11,000 square foot freestanding restaurant will be built at Hawthorn Mall on a pad-ready site.

This is Perry's third location in the Chicago area. The restaurant will offer space for 350 guests and features four private dining rooms, a covered patio and Perry's *Bar 79*, named after the year the restaurant was founded.

Construction is scheduled to begin in spring 2023 and is targeted for completion later in the year. ICI is concurrently underway on a new construction Perry's in Richmond, Virginia.
